About Sustainable Seniors

We are a small non-profit organization in Scottsdale, Arizona led by an all-volunteer board of directors. The mission of Sustainable Seniors is to provide financial aid and resources directly to Scottsdale seniors when they have had their finances, health or safety affected by external factors beyond their control. Our goal is to sustain the health, independence and well-being of our senior citizens, allowing them to reach their fullest potential. Your tax-deductible donation goes directly to the seniors in our community who need assistance when there are simply no other options for them.

Arizona Tax Credit

Arizona residents are eligible for the Arizona State Tax Credit program. This is a state tax credit that lowers the amount of Arizona state taxes owed so **you get a dollar-for-dollar tax credit for the amount you donate!** The dollar-for-dollar credit allows for a maximum credit of \$400 for a single person and \$800 for a married couple filing jointly (effective 2016). To donate, go to: www.sustainableseiors.org/donate or mail a check payable to: Sustainable Seniors.
